Chiechi, Ryan
Research Finance & Shared Services
626-256-4673 x89001

PLEASE NOTE: NCBI workshop is free but registration required. The training will be recorded and be sent to those who registered. There will be four modules with module one is a prerequisite and the other will be optional based on the needs. Each module will have computer hands-on follow by the lecture. We encourage people to bring their own laptop which we will provide electric and internet connection during computer hands-on. Please arrive 15 mins before each half day session for setup your own computer access. 25 Training laptops are limited and available for COH attendees on a first come first served basis, determined by the date which we receive via online registration above.

Light breakfast and lunch will be served.
